Second Payment on Tobacco

A single check for $1,127,673.06 was received by the Tobacco Growers Cooperative Association last week on account of sales of redried tobacco from the South Carolina belt made to J. R. Reynolds company. All of this money was turned loose in South Carolina and border North Carolina markets along with some proceeds from other sales of South Carolina tobacco in the second advance to member tobacco growers on Monday, November 13th.

Members in South Carolina had been told that they would never get any more than their first advance, but with the second payment already made and the statement that there was more to come the South Carolina growers are feeling much better. They are also reported to be less ready to believe any of the wild rumors started by enemies of the Association.

At the coming meetfng of the Board of Directors which will be held in Raleigh next week arrangements are to be made for a second payment in Eastern North Carolina and a definite date for this payment will probably be set.

Buckingham

Messrs. Andrews, Eldrige, Hall, Pollard and Shepherd are the busy men attending to the tobacco sales at Dillwyn.

I have been among the farmers who have sold at the Association warehouse the past week and I find that the 1 payment they got is more than many of them ever got for tobacco before the World-wide war. Some men are talking about selling their wives' part of the crop at the auction sales and their own crop in the Association warehouse; claiming that they need money more than the i of the crop brings and the association people ask these men what would their prices be if there had been no association; when such an immence crop of tobacco is in the hands of farmers.

Over many parts of the county I see automobiles parked on the public roads and foreign hunters on deer stands or out in the fields hunting. Birds are plentiful and being mostly of this years' hatch, and never having been hunted before they fall an lasy prey to the sportsmen. One of our land owners requires hunters to give him a certain part of the game they kill on his land.

The County School Board at its last meeting allowed each trustee five days in which to visit the schools and find out their needs.

Miss Elmira Brough, of Blackstone, is teaching the Bryant school in a remote sparcely settled part of the county and she is doing a good work there.

I have been to eleven schools in James River district and I think they are all doing well.

Teachers and Trustees will attend the educational conference in Richmond, the railroads have agreed to sell round trip tickets for one fare and i this means that the fare from Dillwyn to Richmond and return will only be $4.48.

Mr. D. W. Patteson came down from Lynchburg to vote and had to wait at Glenmore precinct for several hours before anyone came to help conduct the election. Mr. Patteson is working in the railroad shops at Lynchburg and says he is making more money at this work than he made carrying mail.

Mr. R. H. Wood was getting out a fine lot of lumber last week for the N. Y. C. R. R.

Mr. and Mrs. Perkins Ellis left last week to spend the winter in Bermingham, Ala.

Miss Eliza Horseley, of Nelson county, is a guest at the home of Mr. and Mrs. R. A. Hall.

Mr Visner, who purchased a farm from A. H. Clement says he is much pleased with his purchase.

Mr. Peter Shepherd has moved back to his home here, he reports Appomattox as being on a boom.

Mrs. Henry Lewis died at her home near Howardsville last week.

We have sincere sympathy for Mr. Powell Glass in his misfortune

Miss Jeane Horseley has been appointed a teacher in th Woodland school.

Misses W. and Mary Glover have taken two orphan children to care for in their home.

Mrs. H. C. Glover has been quite sick recently and was attended by Dr. Thomas Patteson.

I saw a lot of Albemarle Pippins that were raised on the Boatwright Commercial orchard, they were not as large as the Pippins raised in the famous pippin section of Albemarle and Nelson counties. Virginia apples were on sale in Newbedn, N. C., at $1.50 a bu. or $4 25 a barrell.

I ate hominy at a man's table and he told me he had to send out of the State to buy it, paying more for transportation than the hominy cost.

We miss Mr. Clement and we miss Mr. Flood at our Circuit courts. Senator Ferguson has also forgotten to come to see us.

Evergreen

A few more weeks of autumn and old grim winter will be here. Most of us have been blest with a beautiful harvest so let us remember the poor and needy.

The Baptist ladies realized a neat little sum from their oyster supper Saturday night.

Miss Irean Butler, of Farmville, was the week end guest of her sister, Miss Lucy Butler.

Misses Whitehead and Butler, our new teachers are very much liked by the people here and very popular with the young people.

Miss Mildred McDearmon, of R. M. W. C., and her brother, Lewis, of Bedford, were home for the week end.

Mrs. J. R. Conner, Misses Madian Lee and Lillie Harvey, and Mr. Walker Jennings motored to Oakville Sunday and were guests of Mrs. Annie LeFew.

Mrs. J. J. Farrar who has been on the sick list for two weeks is up again.

The many friends of Dr. E. E Walker will be glad to know that he is getting along nicely at the Lynchburg hospital where he is being treated.

Miss Louise Ransom, of Lynchburg, was the guest of her cousin, Miss Beatrice Inge, Sunday.

The Methodist and Baptist have installed the Delco lights in their churches which is a great help to them.

Vera

Mr. and Mrs. R. W. Abbitt and Mr. and Mrs. Geo. Abbitt attended the funeral of their brother, Mr. Augustue Abbitt, who died Saturday, Nov. 11th in Lynchburg. Our sympathy goes out to them in their bereavement.

Mr. and Mrs. Homer Reynolds of Lynchburg, have been visiting their parents, Mr. and Mrs. Milton Reynolds and Mr. and Mrs. George Robertson.

Miss Julia Hunter and brother Wyley, of Lynchburg, left Sunday, after a viet to their parents, Mr. and Mrs. Wm. Gunter.

Mr. Alfred Nuttycombe met with a painful accident while cranking his car in which his arm was broken. He is getting along nicely at this writing.

Miss Emily Nuttycombe, of Charlottesville, who has been visiting her father here gave a farewell party to her friends Friday night before leaving for her duties as trained nurse.

Mr. Willie Carter also gave a party to his friends Thursday night.

We learn that Mr. George Abbitt is preparing to open a store a Vera well "competition is the life of trade" we hope he will do well.

Rev. Mr. Gordon met with quite a serious accident on the 7th; he was driving his car with Mr. R. W. Abbitt as the other occupant, when in some manner he lost control and the car ran into a ditch; breaking a wheel, breaking the radius rod and other damages. Fortunately both occupants escaped unhur.

Congratulations are due Mr. and Mrs. J. S. Kinney at the advent of a new boy.

Corn shuckings have been the order of the day the past week—good crops are reported all through the county.

"Repent ye for the kingdom of Heaven is at hand. Great will be the rejoicing of the whole world of mankind when in the near future they are brought forth from the tomb and blessed by the new spiritual contral, Christ's Kingdom.

All their sighing and all their tears will forever cease, and the desire of all nations will come. Even now the Kingdom is being ushered in. The old selfish order is being swept away, to make room for the new order of "Justice for the people". Millions of humanity now living will never die, if they will turn to righteousness and conform themselves to the requirements of the new king. These requirements will be righteousness, justice and brotherly love; and their influence will increase until it covers the whole Earth".

Hixburg

Mrs. Heiman Glenn, of Roanoke, is here on a visit to Mr. and Mrs. Luther Glenn.

W. R. Gray and family, of Mt. Hope, W. Va , are here on a visit to home folks.

Mrs. J. W. Davis has returned from a visit to her son James E. Gray, of Richmond, who accompanied his mother home.

Rev. W. W. Pippin Jr., has been in our heighborhood enjoying the hunting season.

Mrs. J. H. McCue and Mrs. Luther Carwile accompanied Mrs. Charlie Rosser to Richmond to see and consult her operating physician who pronounced her as getting along nicely.

Our pastor, Rev. W. B. Duling and wife are attending the Baptist general association at Norfolk.

Mr. and Mrs. H. W. Wheeler are on a visit to Richmond for several days.

Our farmers are busy cutting feed and some are doing fall plowing.

Miss VanVolkenburg, of Appomattox high school accompanied by Mr. Joel Flood was at our church Sunday and stated the suffering condition and the need of relief work in the "Near East". It does not look reasonable that the five great powers would tolerate such injustice to humanity as is reported from Armenia.

I want to compliment our Buckingham correspondent for such newsy letters and our editor also deserves a boquet, and most likely some lady has beat me in handing it over, for the pep and newsy issues of late.

Nice pigs can be had in this community.

Spout Spring

Rev. B. L. Peters, of Concord, preached for Rev. J. M. Street at Spout Spring Baptist church Sunday morning.

Unique Barometer.

The natives of southern Chile have a barometer in the form of a crab shell. The dead shell is white in fair, dry weather, but shows small red spots when the atmosphere shows moistness.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
